

December school-age Newsletter 2016

Dear School-age Parents,

The children that we're present during Thanksgiving break had a great time with the bounce houses and especially our Sunstar guest speakers.. They did an "awesome" job with our kids!!! Ms Cassidy, if you haven't already noticed, has taken Mrs. Ahern place in room #3. We welcome her to the school-age program as a teacher. She formely was a student here, O.M.G.!

The first two weeks in December both school-age classes will have the theme "Star Wars." We will read various Star Wars books and discuss how the good side of the force always prevails over the dark side. Both classes will participate in nonviolent Star Wars games/activities. Ex. The good side versus the dark side scavegar hunt. We wil also watch two old Star Wars movies rated pg only! If you have any issue with your child watching a Star Wars movie please see Ms CCloud. Please make sure you "daily" read our school-age boards!! I know I've said this a million times but unless you do it you won't know what your child is doing or what they may need on certain days! If you would like a hard copy of the newsletter I will be more than happy to supply you with one. Listed below are the fieldtrips/activities that we will be participating in while public school is closed.

Mon. Dec. 19th- "Eagle Lake Park." Leave: 10:30 a.m. Return approx. 2 p.m. (No electronics on this day)
