

# The Minions Back to School Newsletter

**Welcome to Ms. Katie and Ms. Alicia's Minion Dominion! We are looking forward to a great school year of afterschool fun!**

**Our day begins at 2:45 when the first bus arrives with our afterschool friends. We play outside, relax and catch up with friends. After we've had some down time to chill, we head inside for homework/study time. Homework time is our quiet time to do our assignments from school or read. After homework time we do a fun activity and either play inside or outside weather depending.**

**In August and September we will be making smoothies, doing some fun science experiments and working at the school book fair.**

**Ms. Katie and Ms. Alicia**
