NEWS FOR ALL

Happy Fall! We have made it through summer and cool weather is on the way. The children will be spending more time outside as the weather permits. We have many fun Fall activities planned for the children this month!

Yoga will be starting this month on October 14th. Yoga will be outdoors (weather permitting) every Wednesday until December. Please have the children here on this day no later than 9:30 so they do not miss out! We will send pictures!

Razzmatazz Theatre will be putting on a puppet show for our preschool children this month! We will be hosting this outdoors as well (weather permitting).

The outdoor classroom will be used this month for our Halloween Parties and for Fall planting. We are very excited to give the children another environment to explore!

The Fall Activity Fee will be charged to all preschool accounts (2's, 3's and VPK Wrap Accounts) on the 12th. For accounts on auto pay it will be withdrawn on October 16th. The fee is due by October 30th. This \$60 covers the supplies and activities for the Fall and Spring.

Oakhurst Learning Center Family Pumpkin Decorating Contest! Please send us a picture this month of your best family pumpkin carving and/or decorating! The children will judge the top three pumpkins and pick the GREAT PUMPKIN of OLC 2020! You may print a photo or email a photo to information@oakhurstlearningcenter.com any time before October 29th. The last day to submit photos is October 29th! We will judge the Pumpkins on October 30th! The winning family will receive a "Fall Harvest Gift Basket"!

Halloween Parties will be on October 30th. Please bring your child dressed in their costume with a change of clothes. Please no weapons or accessories that could be lost or damaged. One year olds - do not need to dress up, Mrs. Ashley will be decorating them! 😊

Please let us know if you have any suggestions on how we can help with communication during this time. We will be doing our own class pictures - socially distancing this month. You will be able to see your child(ren)'s classmates and teacher. It helps to have a face with the names!

Thank you, The Teachers and Staff of Oakhurst Learning Center
