Dear Families,

Wow summer is here! It is hot hot! Water play is going great! All of the children have transitioned nicely into their summer classrooms!

We have exciting news. We are going to be using a new parent communication tool called Child Care Manager Parent Portal. With the parent portal you will be able to receive school wide notifications of emergency closings via text message, receive email notifications from your child's teacher of upcoming classroom events and receive our school wide newsletter via email. This summer we will be working on getting this system up and running for the fall session which begins in August.

## NEWS FOR ALL

- Please make sure your child has an adequate supply of spare clothing that is seasonally appropriate
- If you are dropping off after 9:30 AM please call the front desk to let them know you will be a late drop off.
- Vacation requests must be submitted two weeks prior to your vacation. Please fill out a blue slip at the front desk. Not sure if you have vacation credit available? Please see Mr. M or Ms. Katie.
- Please let us know if you have any changes to your paperwork for the upcoming school year

**Have a Safe and Happy Fourth of July!!!!!!**
