Dear Families,

We made it through September! What a September it was! We are so thankful that all of our staff and families made it through Irma safely.

Here at Oakhurst Learning Center we lost one giant oak tree on our back playground that damaged some playground equipment and knocked a hole in our neighbor's fence. We feel very fortunate though and our thoughts go out to all those who are trying to make repairs to homes and businesses damaged by Irma. Mr. and Mrs. Hall have been working feverishly to get the playground up and running again. In the meantime, the children are able to play on the other two playground areas.

We are looking forward to some cooler weather, the end of hurricane season and pumpkin spice everything! October is a fun month as OLC – we have the fire truck coming, our fall picnics and our Halloween parties!

## **NEWS FOR ALL**

Thank you for your help and cooperation!
